ACCREDITATION STANDARD 8: FISCAL RESOURCES

The Council was convened by Charles Hanson as the Accreditation Standard 8: Fiscal Resources Committee.

The College is preparing for accreditation in Spring, 1990, and one of the components of the process is a college wide self-study in which committees are appointed to address nine major standards.

Dr. Hanson, Business Manager, gave a brief overview of the responsibilities of the Fiscal Resources Committee and procedures for preparing the written draft, which he expects will be ready for committee review after the Thanksgiving holiday. The final report will be submitted to the Steering Committee for review. J. Diaz was selected to Chair the committee and to be its representative to the Steering Committee.

The next meeting of the College Planning Council will be on November 21, 3:00, A218C.
